You take part in “mulhouse 015”, an exhibition organised by the Town of Mulhouse at the “Parc des Expositions”, from the 13th to the 16th of June 2015.

The technical registration file has two parts:

- The registration form (2 pages). Make sure you have answered all questions!
- The plans: you choose one stand (stand 1 or stand 2 or stand 3 or stand 4) and you diagram your installation on the plan.

Only completed technical files will be studied. No modification whatsoever will be taken into account after March 31st 2015.

IMPORTANT:

1. Make sure that the cultural life department of the Town of Mulhouse has received your documents within the deadline mentioned above. Tel : 0033. 3.69.77.77.50

2. Technical forms received after March 31st 2015 will be not studied. However, we will put a basic exhibition stand (n°1) with white fabric, standard lighting and 3kW electricity at your disposal, whatever the nature of the works displayed.

3. No tools will be made available during the assembling. Please make sure you provide for anything you may need (stool, vacuum-cleaner, screwdrivers, hammer, etc.).
   Furniture: tables and chairs can be made available on request (subject to available stock).

Return the completed technical registration file before the March 31st 2015 to:
